Caller Name

Eric Baronsen

Caller Phone #

208-424-3343

Facility Name

Atlanta Gold Corporation

Permit ID

IDG910006

NonCompliance Type

Effluent Limit Violation

Violation Description

Report a noncompliance with discharge at our Atlanta Project. Yesterday we received a arsenic level assay that said 56 micrograms/liter. Today we received one that was 32. We've taken steps to mitigate this and we are continuing. We've got more things going on and should get that real quickly knocked down; we like to keep it non-detectable.
